College of Engineering Attingal

organises

Two-day Workshop on
AI tools for Educators

27 and 28 May 2025

About the Institution

College of Engineering Attingal, established by the Institute of Human Resources Development (IHRD), a Government of Kerala undertaking, is a premier institute offering cutting-edge engineering courses in the state. The college was started in the year 2004 and has 15 batches of proud alumni many of whom are adorning top positions in industry. The college is affiliated to APJ Abdul Kalam Technological University(KTU).

Objectives of the Workshop

- Understand the Basics of Artificial Intelligence and Generative AI
- Explore Popular AI Tools like ChatGPT, Canva and Mentimeter
- Hands-on Experience with these AI Tools
- Prompt Engineering
- Hands-on session on "LaTeX and Beamer"
- Hands-on session on "Machine Learning using Python"

Target Audience

Teachers from Grades 1 to 12 across various subjects(Computer, Malayalam, Science, English, Social Studies etc.) who are interested in integrating AI tools into their teaching practices.

How to Apply

Participants must submit the google registration form. Registration fees of Rs. 250 can be paid. The screenshot of the payment made has to be uploaded with the form

before submitting it. Certificates will be issued to participants. Lunch will be provided. As seats are very limited, the selection will be based on early bird policy.
